

Palo Alto Networks Global Support Executive Appointed To TSIA Support Services Advisory Board

October 22, 2013

SANTA CLARA, Calif., Oct. 22, 2013 /PRNewswire/ -- Palo Alto Networks® (NYSE: PANW), the network security company™, today announced that Matthew Stauble, Vice President of Global Customer Support at Palo Alto Networks, has been appointed to the Technology Services Industry Association's (TSIA) Support Services Advisory Board.

(Logo: <http://photos.prnewswire.com/pmh/20130508/SF04701LOGO>)

The TSIA is the world's leading organization dedicated to advancing the business of technology services. Technology services organizations large and small look to TSIA for world-class business frameworks, best practices, detailed performance benchmarking, and high-profile certification and awards programs. The Support Services Advisory Board is comprised of executives from a selection of the technology industry's premier companies.

Quote

- Stauble commented: "Palo Alto Networks understands the importance of technology services and customer support as strategic drivers of customer success and satisfaction. My appointment underscores our customer-focused strategy. It's also represents a great opportunity to collaborate with thought leaders from other top technology companies and TSIA executive management to strengthen the support services discipline, improve the operating results of support services businesses, and enhance support services careers."
